Data East stays right on target with another bullseye hit!

SHOOTOUT™

SHOOTOUT is an action-packed shooting game in which the Player must track down the "Mob Boss". Gangsters try to stop you from reaching the headquarters where "The Boss" is hiding.

The player must fight his way through city streets, amusement parks, hotels, bars and other parts of the city to reach the headquarters. On the way he encounters Gangsters who are armed with everything from beer bottles to machine guns, and will attack from the most unexpected places. You must be careful that you shoot the Gangsters and not the innocent bystanders.

The popularity of this theme and the intrigue of confronting "The Mob" lends itself to all players young and old – and the collections prove it.
